New Shuttle Bus Schedule Effective June 1

The new shuttle bus schedule, which goes into effect June 1, is the final product of a customer/service provider effort during the past month. The focus group considered all comments received from community members since the schedule was changed April 1 and, based on those comments, developed the best service available to the community within available resources.

Some of those requested changes to better meet the community's needs included improving peak-hour service between Robinson and Patch; adding a Panzer Shoppette stop; eliminating the three-hour period at Kelley without any bus service in the early evening; and implementing additional stops across from the old stop on Montanastrasse to allow early morning workers to be dropped off closer to their work.

The new schedule is attached to the May 28 Stuttgart Community Post or can be obtained from the 6th Area Support Group Website, www.stuttgart.army.mil, as of June 1.

The community shuttle bus schedule will be reviewed again in one year as required by regulation and changes will be made at that time if necessary. Please continue to provide comments on the shuttle bus service to the Directorate of Logistics' Mass Transit coordinator, 0711-729-2763, or e-mail (lachner@6asg.army.mil). Its goal is to continually improve the transportation shuttle service provided to community members.

Memorial Day Safety

The Memorial Day signals the start of summer activities. Unfortunately, the hazards associated with traditional summer activities significantly increase the risks for serious injury and death.

USAREUR is presently experiencing an incredible and tragic explosion of fatalities from motor vehicle accidents – automobile and motorcycle. This year we have already equaled or

exceeded the fatality totals per category that we experienced for all of Fiscal Year 1998.

Through strong, caring leadership and the application of risk management we can prevent the unnecessary waste of soldiers' lives in accidents. To accomplish this it is necessary for everyone to maintain a strong safety campaign of education and intervention throughout the summer. Commit to making this Memorial Day weekend and the summer season free of injuries and needless tragedies.

1999 Savings Bond Campaign

The 1999 Savings Bond Campaign kicks off June 1 and runs through the 30th. Take advantage of this great opportunity to buy a piece of your future. Points of contact for the 6th Area Support Group are SSgt. Annette Collins, 0711-729-2452, and Mr. Mitchell, 0711-729-2830.

Helping the Troops

Would you like to help the troops down range? The following items could bring some comforts of home for soldiers deployed to Albania: powdered drink mixes, coffee (cans or bags), crackers, cookies, chips, pop tarts, cheese whiz, candy and other non-food items such as bug spray and foot powder. If you would like to send any of these

items to the troops, drop of donations at the American Red Cross office, building 2949 on Panzer Kaserne, 2nd floor, or mail them directly to Albania via MPS to: American Red Cross; G1, V Corps (Forward), Task Force Hawk, APO AE 09348-0001. Those who live at Robinson Barracks can give their donations to American Red Cross volunteer Karen Horwitz, 0711-856-9294.

PCS Lodging Reservations

Due to the necessity of providing lodging for all augmentees arriving in Stuttgart, availability of rooms for PCSing personnel will be very scarce. Individuals must call the Swabian Inn and check, however they will probably be given a Certificate of Non-Availability number, which allows them to make a reservation at a local hotel. Necessary for making a reservation are the person's grade, full name and social security number.

On May 7 the 6th Area Support Group honored the nominees and nominators of the CINC Top 40 with an appreciation luncheon. The Winners were Derek L. Harris, Rachel E. Rawson, Lori E. Prince, Eddie L.
